

YEVAMOT 51

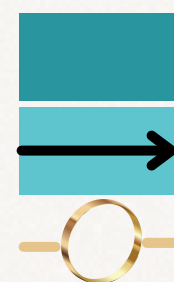

Rabban Gamliel

51a

כיצד אמר רבן גמליאל אין גט אחר גט?
שתי יבמות שנפלו לפני יבם אחד ונתן גט
לזו וגט לזו
רבן גמליאל אומר חולץ לראשונה ואסור
בקרובותיה ומותר בקרובות שניה

In what case did Rabban Gamliel say that a *get* after a *get* is not effective? Two *yevamot* [Yael and Shula] fell before one *yavam* [Shimon] and he gave each of them a *get*. Rabban Gamliel says: he enacts *chalitza* with the first one [Yael] and is prohibited to her relatives but is permitted to the relatives of the second one [Shula]

בית שמאי דתנן שלשה אחין שנים מהם
נשואין לשתי אחיות ואחד מופנה מת אחד
מבעלי אחיות ועשה בה מופנה מאמר ואחר
כך מת אחיו השני בית שמאי אומרים אשתו
עמו והלזו תצא משום אחות אשה

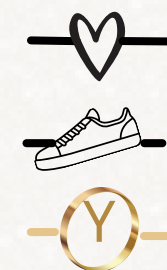

Beit Shammai's opinion is as it says: Three brothers, two [Reuven and Shimon] are married to two sisters [Yael and Chana] and one [Levi] who is single. One of the sisters' husbands [Reuven] dies and the single one makes a declaration [towards Yael] and then the second brother [Shimon] died, Beit Shammai say his wife [Yael] remains with him and this one [Chana] is exempt because she is his [Levi's] wife [Yael's] sister

Siblings are in the same color
Descendants in a lighter shade
